SENATE BILL

No. 288

Introduced by Senators Battin and Ducheny

(Principal coauthors: Assembly Members Benoit, Bogh, and Garcia)

February 16, 2005

An act to amend Section 12716 of the Government Code, relating to gaming, ~~and~~ making an appropriation therefor, *and declaring the urgency thereof, to take effect immediately.*

LEGISLATIVE COUNSEL'S DIGEST

SB 288, as amended, Battin. Gaming.

(1) Existing law requires each county that administers grants from the Indian Gaming Special Distribution Fund to provide an annual report to the Legislature by April 1 of each year, detailing the specific projects funded by all grants in that county's jurisdiction.

This bill would instead require that report to be provided by October 1 of each year to the Chairperson of the Joint Legislative Budget Committee, the chairpersons of the Senate and Assembly committees on governmental organization, and the California Gambling Control Commission. The bill would also make technical, nonsubstantive changes to that provision of law.

(2) Existing law authorizes funds within the Indian Gaming Special Distribution Fund to be used to provide grants to local government

agencies impacted by tribal gaming ~~and the California Gambling Control Commission~~, among other purposes. Existing law authorizes funds within the Gambling Control Fund to be used for the support of the California Gambling Control Commission.

This bill would appropriate ~~\$21,564,000~~ \$20,000,000 from the Indian Gaming Special Distribution Fund ~~and \$118,000 from the Gambling Control Fund~~ for the regulation of gaming and the mitigation of its impacts *for grants for local government agencies*, as specified. The bill would also make a statement of intent that ~~certain amounts of this appropriation~~ be used for workload associated with specified Indian gaming compacts ~~ratified in 1999~~.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: ~~majority~~^{2/3}. Appropriation: yes. Fiscal committee: yes. State-mandated local program: no.
